

Enhanced Care Management

- ▶ Do you or your child have complex health care or life stresses?
- ▶ Do you need extra support with food, transportation, housing or other basic needs?

Get Free Help in Person

- One person to help you talk with and track all your healthcare providers
- Find doctors, dentists or therapists and make appointments
- Find and apply for programs for housing, food, and child care
- Connect to community programs

Eligible Individuals

- Have complex medical issues or frequent hospitalizations
- Are at-risk of or experiencing homelessness
- Have mental health or substance use needs
- Are involved in the child welfare or justice systems

Connect

We work with many different Medi-Cal managed care plans.

Please contact us for more information and to see if you or your loved one is eligible to get connected to services.
